Notes (Office Use Only)

If your dog is matted then we will need to do what is in their best interest which is to shave underneath the matting instead of trying to de-mat them by hand. De-matting by hand can cause undue pain to your precious pup and potentially cause more damage to the skin than the matting may have done. If matting or fleas are found, there will be additional charges for time taken to de-mat the dog and for a flea shampoo. Central Bark has the right to refuse service to any dog that is overly stressed or aggressive during grooming causing them to put themselves or the staff at risk.

1. I (the owner) confirm to Central Bark, that I am the legal owner of my pet and; that as far as I am aware my pet has not been exposed to any illnesses or diseases in the past 30 days.
2. I understand that Central Bark reserves the right to refuse service to any pet that is overly stressed or aggressive during grooming causing them to put themselves or the staff at risk.
